GENERAL PROCUREMENT NOTICE

SWAZILAND

EZULWINI SUSTAINABLE WATER SUPPLY AND SANITATION SERVICE DELIVERY PROJECT

1. The Government of the Kingdom of Swaziland has received a Loan from the African Development Bank to finance part of the Ezulwini Sustainable Water Supply and Sanitation Delivery Project.
2. The principal objective of this project is to provide improved water supply and sanitation services to residents of Ezulwini Municipality and surrounding areas, thereby improving the quality of life and removing some major constraints to the area's development.
3. The project comprise the following main components:

i) Water supply works comprising a treatment plant and distribution system;
ii) Sanitation including sewerage works and promotion of sanitation and hygiene;
iii) Institutional Capacity Development and Project Management

4.1 Procurement of both water supply and sewerage works shall be carried out through International Competitive Bidding (ICB) in accordance with the Bank's Rules and Procedures for Procurement of Goods and Works, May 2008 Edition, Revised July 2012;
4.2 Procurement of Engineering and the services required for Institutional Support will be in accordance with the Bank's Rules for Use of Consultants, May 2008 Edition, Revised July 2012. Bidding documents are expected to be available in July 2014.
5. Interested bidders may obtain further information, and should confirm their interest, by contacting the:
