NOTICE:
General Procurement Notice

1. The Republics of Uganda and South Sudan, through the Nile Equatorial Lakes Subsidiary Action Program (NELSAP) of the Nile Basin Initiative, have received a grant from the African Development Bank/African Water Facility to finance the Nyimur Multipurpose Water Resources Project Studies.
2. The principal objective of this project is to sustainably improve both countries’ socio-economic development through water resources development and management for increased water availability for multi usages encompassing: flood mitigation, irrigation, electricity generation, fisheries development, and water supply. The project’s specific objectives are to: (i) complete the technical, economic, financial and institutional feasibility studies of the project so as to ensure its viability; (ii) complete an Environmental and Social Impacts Assessment and a Resettlement Action Plan for the project; (iii) complete the tender design of the project and preparation of tender documentation for its construction; and (iv) mobilize financing from donors for project implementation.
3. The project includes the following three components: (i) Consultancy services for Technical and Economic Feasibility Studies and Tender Design Studies; (ii) Consultancy services for Environmental and Social Impacts Assessment and RAP; and (iii) Project management, communication and consultations. The modes of procurement will include Quality and Cost Based Selection (QCBS), Single-Source Selection and shopping.
4. Procurement of goods and/or works will be in accordance with the Bank’s Rules of Procedure for the Procurement of Goods and Works. Acquisition of the services of Consultants will follow the Bank’s Rules of Procedure for the Use of Consultants. Bidding documents are expected to be available in March, 2015.
